

Dear Mrs. Jacob,

It was an honor to meet you and to learn more about your son, Brenton. He sounds like someone who truly loved baseball. I was so surprised when you said how much you liked my essay, and that you wanted to send me to the Sutherland Knights' Baseball camp. I am excited and grateful for the chance to go to camp. I know it will be a lot of fun! Thank you so much for awarding me the opportunity.

From,

Noah Littlefield
